

SWEET RELIEF MUSICIANS FUND

Mission

Sweet Relief Musicians Fund provides financial assistance to all types of career musicians and music industry workers who are struggling to make ends meet while facing illness, disability, or age-related problems. In other words, Healing Musicians in Need.

Sweet Relief was founded by singer-songwriter Victoria Williams in 1993. Victoria, while on a career-making tour with Neil Young, was forced to drop off mid-schedule after experiencing unexplained, debilitating symptoms. A long and painful diagnostic process revealed she had multiple sclerosis.

After her diagnosis, a group of friends assembled an all-star album of Victoria's songs, called Sweet Relief, which alleviated much of her medical debt. Vic sympathized with other musicians who were facing overwhelming medical expenses, and used some of the proceeds from the album to start Sweet Relief Musicians Fund.
